

HTS Team Tigers showed its support at Wallingford YMCA Community Day events

Holy Trinity School showed their support to the Strong Kids campaign for their community partner, Wallingford YMCA. Early in the morning, moms, dads, grandmom, alumni, and students participated in the 5K and 10K road races, greeted one by one by the school team captain, Christine Mansfield.

Children from kindergarten to grade 2 then participated in the Kids Fun Run, followed by the Rock 'N Roll School Relay Race. Six teams composed of students in grades 3 through 8 ran at their best, wearing proudly their blue and gold school colors. This year, the Junior Tigers won the trophy for the Boys' Elementary Division, placed second in Boys' Middle School division, and third in the Mixed Elementary School category.

Sister Katie Kelly, school principal, saluted the team with the following accolades: "Three cheers to all!! What a school community! What spirit! What runners!"
