Warm and toasty toes, thanks to Troop 60102

Girl Scout troop 60102 of Holy Trinity School in Wallingford recently did a Sock Drive to support Master's Manna in Wallingford. They collected over 100 pairs of new socks along with some gently used ones too. The girls enjoyed stuffing over-sized stockings with all the socks. They also collected individually wrapped toilet paper for the families in need. We all think of food to give and that, of course, is always needed but such things like toilet paper and other toiletries cannot be bought with EBT cards so they are in high demand of need. The girls built a toilet paper tower of over 150 rolls. They had fun doing all this for a great cause. And they also earned a patch for their service as a Girl Scout.
