

September 1, 2024

Dear Friend of Holy Trinity School,

For over 100 years, Holy Trinity School has been an integral part of the Wallingford landscape. Since its founding in 1913, the school has strived to fulfill its mission of educating students by providing a quality academic curriculum and rich co-curricular program that prepares students to become active and devoted members of their community.

To keep enlightening young minds, we rely on the support of community partners. This spring we will be hosting a live and silent auction to raise funds for important needs like building maintenance, co-curricular activities, and need-based scholarships. We are asking that you/your business consider donating a good or service to our event. Your gift will be on display that evening and listed in the program provided to each bidder. In addition, there are a variety of sponsorship opportunities for our event. Please see the attachment for details.

Your donations and/or sponsorships are tax deductible (to the extent permitted by the IRS). An auction donation form is also enclosed and may be returned, along with your donation item or sponsorship, to Holy Trinity School. There is also an opportunity to fill out the form electronically at the link below. We appreciate your diligence in submitting the form so that your donation may be accurately listed in the program.

In addition, we would love to see you at our fundraising event on Saturday, March 22, 2025 at Choate Rosemary Hall in Wallingford. Please consider purchasing a ticket or a table and joining us as we celebrate our wonderful school community and raise funds to keep it going for many years and generations to come!

Sincerely,

Stephanie Durbin and Karen Simeone
Holy Trinity School Auction Committee Chairs
